

QUICK ALLY

STEP PLATFORM / ORDER PICKER

WHY CHOOSE QUICKALLY

- ✓ Durable, lightweight aluminium construction ensures long term value and easy portability
- ✓ Standard working platform area (600mm x 800mm) allows comfortable and safe movement
- ✓ Ribbed step treads minimise risk of slipping
- ✓ Adjustable outriggers for extra stability
- ✓ Select your required working height - ranging from 600mm to 3mtr
- ✓ Two (2) and four (4) wheel options to suit your mobility needs
- ✓ Options include walk through, LH and RH access, expanded mesh platform and drop down safety bar
- ✓ Proudly Australian designed and manufactured to comply with the relevant Australian Standards

Want something outside the 'standard' ?

No problem, the QuickAlly team specialise in custom designed access solutions.
